

**What:**

A fun and supportive learning environment for new cuers and those wishing to improve their cueing skills or learn more about it.

**Who:**

Families, friends, and professionals of all ages. Instruction is provided at all levels. Children learn through fun, age-appropriate activities.

**Where:**

Camp Mechuwana, on Lake Annabessacook and Lower Narrows Pond, surrounded by 230 acres of woodlands, in Winthrop, Maine.

**Why:**

Cue Camp provides a relaxed and fun opportunity to develop your cueing skills; learn more about deafness, bilingual education, Cued Speech, and other related topics; and network with cuers from all over New England, and across the country or world.

**Join the Fun!**

Learn more about Cueing and its benefits and uses

Meet Cueing Adults, Children, Families, and Professionals

**All who wish to Learn**

# Join us this summer!

Cue Camp Mechuwana is a beautiful setting for gathering with cueing individuals, families, and professionals. Learn to cue, improve your cueing skills, and meet other cuers. Learn more about how cueing is being used in bilingual education, to naturally acquire the spoken language of the family and community, to provide phonemic awareness pre and post implant, to receive direct access in educational and professional settings without interpretation, and to improve literacy skills.

- **Beginner Cued English Class**  
(ASL interpreters available; with interest, a separate class will be taught in ASL)
- **Intermediate & Advanced Cue Class**
- **Informative Presentations**
- **Panel of Native Cuers**
- **Activities for Kids & Teens**
  - Crafts
  - Sports/Games
  - Fun with Cueing
  - Nature Activities
- **Discussions about the benefits of Cueing for access to spoken languages, improving literacy, providing bilingual/multilingual access, etc.**
- **Swimming, Canoeing, & Paddle Boats**
- **Reunion BB-Cue & Dance**
- **Breakfast, Lunch, & Dinner**
- **Lodging for overnight campers**

Rustic cabins with 2-9 bunk beds & electricity  
Bathrooms/Showers are in a nearby building)
